This fee covers the euthanasia procedure only and does not include the exam, sedation, or aftercare. We understand this is a difficult time for you and we're here to provide support and guidance. We can help you navigate the aftercare options, including: Communal cremation (off-site): \$55-\$80 or Private cremation packages; available at an additional cost, or you may also take your pet's remains with you, in accordance with Florida law.

EveryPet can also provide routine dental cleanings, minor wound care and minor surgical procedures.
A physical exam is required to determine the medical treatment plan and the cost of these services.
